

## **Homework & Reflection - Week 1**

Think and write down the answers to the following questions:

1. What have you learned this week?
2. What are your career goals? Write them down, one by one.
3. Why are the above goals important for you?
4. What career strategies are important?
5. What actions will you take to improve your career?
6. How will you do it?
7. When will you start?
8. Write down your plan in detail.
